# Look Away

## Eli Lieb

I'll never touch your body again
We gave it our all, but this is the end
So we say that we tried
Watching you fade, I know it's goodbyeBut I can't look away from you
I can't look away
I'm trying to face the truth
from the mess that we made
So we say that we tried
But I can't look away from you
I can't look awayI miss watching you sleep
You scent on my sheets
Such a bitter-sweet, beautiful mind
haunting my dreams
So I know you'll be fine, say "it's alright"
Watching you fade, cause this is goodbyeBut I can't look away from you
I can't look away
I'm trying to face the truth
from the mess that we made
So we say that we tried
But I can't look away from you
I can't look awayI'll be okay, are you okay?
Thinkin' about the way that we left this
Will I grow to regret it
Watching you fade
I know it's goodbyeBut I can't look away from you
I can't look away
I'm trying to face the truth
from the mess that we made
So we say that we tried
But I can't look away from you
I can't look away
