Geronimo

Geronimo Geronimo
They're falling like they're dominos
Please believe it and let that be the reason
Sight beat the world and we shall see
Geronimo, Geronimo
These girls are falling dominos
They - they call me dynamo
But I be yelling vamanos
So you bout to undergo
Daenerys in a game of thrones
No - I'm not no common ho
Slip sliding down a rabbit hole, what?
And they be slain-i slay these bitches double dutch
And they be slain-i slay these bitches so wassup
And they be slain-i slay these bitches double dutch
And they be slain-i slay these bitches so wassup
Jump - up and down
Jump - all around
Jump - up and down
Jump - now make your bootie bounce
Geronimo, Geronimo
I send em to Guantanamo
Or better yet the Alamo
Macaulay Culkin's home alone
It's my sickening do-si-do
My undefeated rope-a-dope
From Tokyo to Kokomo
My syncopated rodeo - what
I got my chaperone
My wherefore art thou Romeo
Tell Juliet to hold da phone
Cause she never gonna get that tootsie roll
It's my turn to chew da bone
To spread my leg like Sharon Stone
To dominate like Al Capone
This playground is my battle zone - what
Pretty little lady boy, pretty as can be
All the boys in the hood, go crazy over me
But I don't care, I don't pay them no mind

Cause I got ish to do and I ain't got time
