Stone Birds

The woods are oh so dangerous
Don't you wander off in them
Let me take you by the hand
And show you
The wayTo FearTrippin' over myself
Flying, no thanks to wealth
Feeling everything that I see
Climbing on up just to be meGot to get outside myself
I'm going to leave this human race
Going to live like no one else
Listen just to what's inside of meLine up children
Get in line
Find your partner
All hold hands up highGot to get my mind uncleanThe woods are oh so dangerous
Let's go run around in them
Let me take you by the hand
And show you
The wayTo feel
