We're Not In Love Anymore

Joey Cape

At three in the morning
We are in mourning
Hallucinations end
Drug induced visions
End in collision
Casualties again
Yeah we're faux pacifist
Former conservationist
Once we were here to be sane
Now everyone's insane
We're not in love
We're not in love anymore
Now we're just passing thru the door
No one wants more
We're not in love
We're not in love anymore
Somewhere we passed out on the floor
Forgetting where and what we've seen worth saving
At three in the morning I begin
To mourn the sovereignYeah we still have a song
It's about a mile long
I used to know that tune
I used to play it for you
But we're not in love
We're not in love anymore
No longer running thru the door
No one here wants more
We're not in love
We're not in love anymore
Yeah, I'm just passed out on the floor
Forgetting where and what I've seen worth saving
At three in the morning I begin
To find myself again
At three in the morning I am in mourning
Hallucinations end
