# Genesis 11

## Will Haven

Faith's foundation
feeding the need to build to and exist in unite
build reaching the masses
one machine breeding a common goal
unite build reaching raining down
splitting the tongues
unfulfilled souls stuffed on their scripture
our greed will burn unite build reaching
the hand of god will destroy
evolving face he babbles thy speech
unite build reaching raing down
splitting the tongues
we'll fear him
unite build destroy
