

# Miss Mayhem

## Rick Springfield

That girl has a gift  
Like a social disease  
If you catch my drift  
She brought me to my knees  
And like a wrecking hammer  
She broke me down till I said "please"  
Oh yeah Was it her plan of attack  
While she was raking my back  
She left me hanging with my heart in the breeze Say a prayer for me  
Winter is here in the month of July  
It's my misguided notion  
As silent as a scream  
There were no warning signs in her eyes  
And I'm so pleased to meet you  
Miss Mayhem I'm sleeping with a time bomb  
She's counting it down  
I'm walking with a napalm  
In an organdy gown  
Into my private slammer  
She locked me down and kept the key  
Oh yeah She is a woman in black  
She is my panic attack  
Came with a no money back guarantee Say a prayer for me  
Winter is here in the summer tonight  
She's freezing my emotion  
As deadly as a scream  
Swear I don't see any fear in her eyes  
Thanks for introducing me to  
Miss Mayhem Trying to run while I'm shaking the dust off  
Crying to you when I'm scraping the rust off  
Lying to you while I'm breaking the trust up  
Won't you please just Say a prayer for me  
Winter is here in the month of July  
It's my misguided notion  
As silent as a scream  
There were no warning signs in her eyes  
And I'm so pleased to meet you  
Miss Mayhem Say a prayer for me  
Winter is here in the summer tonight

She's freezing my emotion  
As deadly as a scream  
Swear I don't see any fear in her eyes  
Thanks for introducing me to  
Miss Mayhem
