Twisted

[re:jazz]

I can't stop thinking about it
It's captured in my soul
Crazy things you're doing
You know, I'm loosing control

The harder I fight, the better it feels
When it finally takes over
Leaves my body shaking
The harder I fight, the better it feel
When it finally takes me over
Leaves my mind torn

I'm twisted
Can't believe what you've done to me
Twisted on your love
Can't believe you're making love to me

I'm pushed to the limit
Strained against the wall
Driving deeper inside
Till you reach my heart

The harder I fight, the better it feels
When it finally takes me over
Leaves my body shaking
The harder I fight, the better it feels
When it finally takes me over
Leaves my mind torn

I'm twisted
Can't believe what you've done to me
Twisted on your love
Can't believe you're making love to me
