The Game

Dark Princess

It's time to play the game
Time to play the game
It's all about the game and how you play it
All about control and if you can take it
All about your debt and if you can pay it
It's all about pain and who's gonna make it
I am the game, you don't wanna play me
I am control, no way you can shake me
I am heavy debt, no way you can pay me
I am the pain and I know you can't take me
Look over your shoulder ready to run
Like a good little bitch from a smokin' gun
I am the game and I made the rules
So move on out here and die like a fool
Try to figure out what the move's gonna be
Come on over, sucka why don't you ask me
Don't you forget there's a price you can pay
'Cause I am the game and I want to play
It's time to play the game
Time to play the game
It's all about the game and how you play it
It's all about control and if you can take it
It's all about your debt and if you can pay it
It's all about pain and who's gonna make it
I am the game, you don't wanna play me
I am control, there's no way you can shake me
I am your debt, you know you can't pay me
I am your pain and I know you can't take me
Play the game, you're gonna be the same
You're gonna change your name, you're gonna die in flames
Time to play the game
It's time to play the game
It's time to play the game
It's time to play the game
Time to play the game
