Empty Promises

Sunset Black

Finding your reasons
You're finding your way back here
Finding your reasons
You're finding your reasons hereAnd it falls away
And you're hanging on
And it falls away
And you're hanging onCarry on
I'll find in you
Dreaming all
I am for you
Wishing I
Could be the one
I'm burning out
Before the sunI surround you
And everything
I surround you
And everythingDreaming lies
They always fade
I never know
When to pay
I'm wishing you
Believed in me
I'm hanging on
For eternityI surround you
And everything
I surround you
And everythingBut
Everything
Everything
Everything falls away
No
Everything
Everything
Everything falls awayNo
Everything
Everything
Everything falls away
No
Everything

Everything

Everything falls awayStop bringing me downI knew I gave, I
I pushed too much
I wanted more
I let you go
Right out the door
I would die for you
I would bleed for you
I believe in you
I need you
And I don't want to be alone
Without you
And I don't want to be alone
