The Other One

The Wooden Birds

Lying awake
The other one's waiting
To keep me at bedtime
Or just for a momentMake it go away
Make it go away
Things won't change for meOut of this state
Comes rapid eye movement
My mind set is stolen
The thing that I'm needingMake it go away
Make it go away
Things won't change for meLying awake
But just for a momentMake it go away
Make it go away
Things won't change for me
Make it go away
Make it go away
Things won't change for me
