Letting Go

Paul McCartney & Wings

Letting Go
Paul McCartney & WingsAh, she tastes like wine
Such a human being so divine
Oh she feels like sun
Mother nature look at what you've doneOh I feel like letting go
Oh I feel like letting goAh, she looks like snow
I want to put her in a Broadway show
Ah she'll dance and dine
Like a lucifer she'll always shineOh I feel like letting go
Oh I feel like letting goOh I feel like letting goAh, she sings it so
I want to put her on the radio
One day and there you are
Ladies and Gentleman -
A brand new StarOh I feel like letting go
Oh I feel like letting go
