Down Down

Status Quo

Get down, deeper and down
Down down, deeper and down
Down down, deeper and down
Get down, deeper and downI want all the world to see
To see you're laughing
And you're laughing at me
I can take it all from youAgain, again, again, again, again, again, again
Deeper and down
Down down, deeper and down
Down down, deeper and down
Down down, deeper and down
Get down, deeper and downI have all the ways you see
To keep you guessing
Stop your messing with me
You'll be back to find your wayAgain, again, again, again, again, again, again
Deeper and down
Down down, deeper and down
Down down, deeper and down
Down down, deeper and down
Get downGet down, deeper and down
Down down, deeper and down
Down down, deeper and down
Get down, deeper and downI have found out you see
I know what you're doing
What you're doing to me
I'll keep on and say to youAgain, again, again, again, again, again, again
Deeper and down
Down down, deeper and down
Down down, deeper and down
Down down, deeper and down
Get down
