Blue to Black

Daniel Levi Goans

We used to laugh
Dancing around the garden

I used to cry and you would smile and wipe my eyes
And you tell me this is not the end

Now youâ€™ve faded out its dark where you used to be
Now youâ€™ve faded out thereâ€™s a star where you used to be
I call your name but you say you canâ€™t know me anymore

The weight of a bloodline the wake of your bloodline
Like a millstone tied around the neck rushing blue to black
