Better Off

Divided By Friday

What does it mean to be a man now?
What does it take to understand how?
Took my time, but I never got it right.
Now I wish I would've.

You said, "Goodbye."
Can we just try to
Remember when we started
Everything that we had?
You gotta believe.
You know, I wish you could.

And too much to think about.
I doubt I could live a day without you.
How could you up and leave?

Cause I'm not better off.
I'm not better off.
I don't wanna be alone.
I think you've always known
I'm not afraid to beg.
Can we stop while we're ahead, and rewind?
Rewind.

What do you mean you need a man now?
Why do I need another letdown?
Take your time, baby.
I don't wanna fight unless it's for each other.

You're slamming the door,
We've been here before.
I can't imagine what you're thinking.
I just want you back home.
I'm gonna apologize till we get better.

So much to think about.
I doubt you'd take the time to hear me out,
I, I just want you to say

"I'm not better off.

I'm not better off.
I don't wanna be alone.
I think you've always known
I'm not afraid to beg.
Can we stop while we're ahead, and rewind?"

Don't leave me behind.
You know I'm not afraid to beg.
Can we stop while we're ahead, and rewind?

Open those eyes, and maybe you'll find something.
I'll open my arms hoping you come running.
We both know we're wrong, can we move on
To a future we had, taking it back,
Making our love last?

And too much to think about.
I doubt I can live a day without you.

I'm not better off.
I'm not better off.
I don't wanna be alone.
I think you've always known
I'm not afraid to beg.
Can we stop while we're ahead, and rewind?

Don't leave me behind.
You know I'm not afraid to beg.
Can we stop while we're ahead, and rewind?

Cause I'm not better off.
I'm not better off.
I don't wanna be alone.
I think you've always known
I'm not afraid to beg.
Can we stop while we're ahead, and rewind?
Rewind.
