In My House

Golden Earring

From the Album:
* Winter harvestA-a-a-a-a-a
In my house
There is anything you need
In my house yeah baby
You don't have to wipe your feet
In my house
You will see that good times come
In my house baby
You will see here I belong
And someday you'll gonna be happy
And someday you wiil feel fine
And someday you'll gonna be happy
And someday you will be mine
In my place darling
There is nobody who cares
By the way you walk
By the way you hang your hair
In my place darling
You will really see the sun
PLease come over to my house
Don't waste time, you'd better run
And someday you'll gonna be happy
And someday you wiil feel fine
And someday you'll gonna be happy
And someday you will be mine
