Hunger Is A Dream You Die In

Daniel Romano

Keepin' on the lighter side of gettin' up and bleedin' ?
Hunger's a dream you die in
Needin' it with all your heart no way to slow or stop the start
Hunger's a dream you die in
Somethin' in you's not the same but there's no one to share your painHunger's a dream you die in
Dreams wake when you're done decidin'
Shining faces or heavy pains
Eternal spirit or roaring flames it's all the same
No matter where you've been hunger is a dream you die inI've been hungry all my life and nothin' feeds my appetite
Hunger's a dream you die in
When the best of it comes true there's always more I need from you
Hunger's a dream you die in
One last time I make my rounds to find out what I'm still withoutHunger's a dream you die in
Dreams wake when you're done decidin'
Shining faces or heavy pains
Eternal spirit or roaring flames it's all the same
No matter where you've been hunger is a dream you die inThere ain't no harm in bein' free except for what it does to me
Hunger's a dream you die in
Come on let me shake your hand and leave me standin' as I am
The kind of man that understandsHunger's a dream you die in
Dreams wake when you're done decidin'
Shining faces or heavy pains
Eternal spirit or roaring flames it's all the same
No matter where you've been hunger is a dream you die in
