Goin Away

Kai Exos

[Verse 1:]
Now you say it ain't the same
You done a good thing
Goin away[Chorus:]
Fly the blue skies
Walk on the sunny side
You are the answer
To every question inside[Verse 2:]
Don't know where you came from
Or what brought you here
Was it someone special
Or just something in the air
Since you can't take it with you
Into your next life
Well, that's alright[Chorus:][Verse 1 Repeated:]
Now you say it ain't the same
You done a good thing
Goin away[Chorus out]
