Freedom Is Free

Chicano Batman

Nobody likes you
Nobody cares
Nobody wants you
Nobody caresTo extend a greeting aid
Connecting landsLife is just a jaded game to them
They won't give it a chanceBut you know when I know
That the galaxies are all around us
And life will flow on as long as the grass grows and the water runs
And while I'm here on earth I'll rejoice in this world
Cause
Freedom is free
Freedom is free
And you can't take that away from meYou got your guns up on display
But you can't control how I feel, no way
Cause
Freedom is free
Freedom is free
And you can't take that away from nobodyBecause the ocean is all around us
And life will flow on as long as there are ripples on the waves and sunrays from the sunAnd while I'm here on earth I'll rejoice in this world
Cause
Freedom is free
Freedom is free
And you can't take that away from me
You got your guns up on display
But you can't control how I feel, no way
Cause
Freedom is free
And that's the way it's always gonna be
Freedom is free
Cause no amount of negativity can put a dent in me
Freedom is free
Freedom is free
Freedom is free
Freedom is free
Freedom is free
Freedom is free
