Je T'Aime

Kelly Sweet

Je t'aime, je t'aime toujours
I am forever yoursSweet dreams, sweet dreams mon cher
You're always in my prayersSoftly, sweetly
Wrapped up in heaven's arms
Sailing, soaring over the moon
Gathering star dustBe still, be safe, be sure
Je t'aime, je t'aime toujourWishing, praying
All of your dreams come true
Please remember
Where'er you are my heart is with youSweet dreams, sweet dreams mon cher
Always in my prayerI am forever yours
Je t'aime, je t'aime toujour
