My Baby

Kallay Saunders

Could she be, could she be the one for me?
Little dog and a house, a family
I love this feeling that Iâ€™m feeling, waited all my life
I must be dreaming, not believing, could you be my future wife?

I love my baby, everybody sing it tonight
I love my baby morning, noon and supper time
Sheâ€™s the one for me, sheâ€™s my everything, sheâ€™s the sunshine in my life
I love my baby, everybody sing it tonight

I can see, I can see her next to me
Every day, every night sheâ€™s there with me
I love this feeling that Iâ€™m feeling, waited all my life
I must be dreaming, not believing, could you be my future wife?

I love my baby, everybody sing it tonight
I love my baby morning, noon and supper time
Sheâ€™s the one for me, sheâ€™s my everything, sheâ€™s the sunshine in my life
I love my baby, everybody sing it tonight

If you love somebody scream it out for me
If you love somebody scream it out for me
Baby you are the only one for me, you are the only one

I love my baby, everybody sing it tonight
I love my baby morning, noon and supper time
Sheâ€™s the one for me, sheâ€™s my everything, sheâ€™s the sunshine in my life
I love my baby, everybody sing it tonight
