There ain't a nigga in these streets gon' take my pride
You flaw ass niggas fucked up my vibe
I don't fuck with you fake ass niggas, that's real
Them hands don't shake pussy, nigga, that's real
If he flaw he a snake, nigga, that's real
And I don't fuck with any nigga outta here who ain't real

They ain't 'bout that life, them niggas just soft
Them niggas like hoes, them niggas just talk
I don't fuck with no niggas, no niggas that's flaw
I don't fuck with them niggas, them nigga just flaw
They ain't 'bout that life, them niggas just soft
Them niggas like hoes, them niggas just talk
