

## Alicia Keys

You used to the sound of a heart that's breaking  
I know it don't phase you anymore  
You're the king of the game that you're playing  
I know you've played it a hundred times before You fill your bedroom up with trophies  
Then you get a kick out of closing the door  
Got all the words to keep on hoping  
I know you've said them a hundred times before Then there's me, all false for your gold  
Then there's me, just love me for fun  
Then there's me, no use in pretending  
Oh there's me, a 101 I might as well stand in front of a bullet  
Close my eyes and kick the chair to the floor  
It's like a speeding train that is coming  
I know you've crashed it 100 times before Then there's me, all false for your gold  
Then there's me, just love me for fun  
Uh there's me, no, no use in pretending  
Oh there's me, a 101 Everybody says I gotta be crazy  
That I deserve everything that I get  
But I got a feeling  
That makes me wanna ignore all that you've done a 100 times before Cause then there's me, could I be the one  
And baby there's me, to make you undone  
Uh darling there's me, no use, no use in pretending  
Oh there's me, a 101  
Me, 101  
So I gotta be, I gotta be, I gotta be a 101  
Maybe it's time, maybe it's me  
Maybe I could be, maybe pretend  
I gotta be, I gotta be 101  
Yeah baby
