I Want You

Cabaret Voltaire

(I want you to bow your head)Freak yourself: shake it, shake it
Close the door: shake it, shake it
What to do: shake it, shake it
Just hit the floor: shake it, shake itFreak yourself: shake it, shake it
Close the door: shake it, shake it
What to do: shake it, shake it
Just hit the floor: shake it, shake itWhat they told you is not to be
But what you want comes naturallyFreak yourself: shake it, shake it
Close the door: shake it, shake it
What you want: shake it, shake it
Just hit the floor: shake it, shake it
Freak yourself: shake it, shake it
Close the door: shake it, shake it
What you do: shake it, shake it
Just hit the floor: shake it, shake itBlack them out, kill the lights
Hands are moving through the nightFreak yourself: shake it, shake it
Close the door: shake it, shake it
What to do: shake it, shake it
Just hit the floor: shake it, shake itFreak yourself: shake it, shake it
Close the door: shake it, shake it
What you do: shake it, shake it
Just hit the floor: shake it, shake itFreak yourself: shake it, shake it
Close the door: shake it, shake it
What to do: shake it, shake it
Just hit the floor: shake it, shake it
Make some time here, fingers free,
Keep your hands on your chemistryFreak yourself: shake it, shake it
Close the door: shake it, shake it
What to do: shake it, shake it
Just hit the floor: shake it, shake itFreak yourself: shake it, shake it
Close the door: shake it, shake it
What you do: shake it, shake it
Just hit the floor: shake it, shake itFeel at night, seen at nightWatching it again, this potion here
Watch you doing it, explain it here
What they told you is not to be
But what you want comes naturallyFreak yourself: shake it, shake it
Close the door: shake it, shake it
What you do: shake it, shake it
Just hit the floor: shake it, shake itFreak yourself: shake it, shake it

Close the door: shake it, shake it
What you do: shake it, shake it
Just hit the floor: shake it, shake it
