Portrait

Duke Special

Paint my picture if you must
Please remember to be kind
But darlin', your broken heart
Was never on my mindPaint me with a villain heart
Like some cruel valentine
But darlin', your broken heart
Was never on my mindAnd when you feel the clash
And you don't want me around
Could you endure the rasp
As my kisses filled with fibre-glass rain down?Heavy as a humming bird
But more difficult to find
Darlin', your broken heart
Was never on my mindClumsy as a rag time clown
Or some dancing Frankenstein
Darlin', your broken heart
Was never on my mindSo pull that canvas down
Beneath this angry moon
As you endure the sound
Of one more singer singing out of tunePaint my picture if you must
Not forgetting to be kind
But darlin' your broken heart
Was never on myDarlin' your broken heart
Was never on my
Darlin' your broken heart
Was never on my mind
