Broken By You

Jordan Knight

First lonely night
What will I do
I feel my heart breaking in two
I'm such a fool
When will I learn
I fell so deep
Then I got burned
If you gave just one reason why
My heart just might let go
Maybe one day I will fall in love again
But for now I'll just leave my heart in two
If I never fall in love again
If I never touch your skin again
If I never feel again this way
If I never see another day
Remember me
Remember this
'Cause one thing that will never change
Is the feeling in my heart

So broken by you
Love still remains
After you're gone
Girl please explain where did I go wrong
If you gave just one reason why
My heart just might let go
Maybe one day I will fall in love again
But for now I'll just leave my heart in two
If you gave just one reason why
My heart just might let go
Maybe one day I will fall in love again
But for now I'll just leave my heart in two
If you gave just one reason why
My heart just might let go
Maybe one day I will fall in love again
But for now I'll just leave my heart in two
