Leave Me Alone (feat. Shay Lia)

KAYTRANADA

Can't deny or lie
Boy, you blew my mind
But I'm tired of my heard being broken
And my love being taken for granted
I gave you all I had
So crazy
How you wasted my time
How you reached the borderlineLeave me alone, go away leave me alone
Leave me alone, go away leave me alone
Leave me alone, go away leave me alone
Leave me alone, go away leave me aloneLeave me alone, go away leave me alone
There was a time I used to say "boy, I want you"
Leave me alone, go away leave me alone
Leave me alone, go away leave me alone
And there was a time I used to say "boy, I need you"
Leave me alone, go away leave me alone
Sorry baby, no time for thisLeave me alone, go away leave me alone
Leave me alone, go away leave me alone
Leave me alone, go away leave me alone
Leave me alone, go away leave me aloneThere was a time I used to say "boy, I want you"And there was a time I used to say "boy, I need you"Sorry baby, no time for this
So crazy
Are you wasting my time, are you reaching for
Are you
Are you reaching the borderline?Producer, beatmaker, now, I'd say at the moment, probably Kaytranada
I think he's, he's on that exact sort of thing that we like
You know, the musicality meeting the beats
You know, from the chords and the basslines, and the rhythms
You know, it's, and I mean, you probably agree, you know, he's (shout to Kaytranada anytime)
The whole Mon- (yeah, that whole, that whole Montreal scene)
