Bravo

ì•´íŠ¹, Key (ìƒ¤ì•´ë‹ˆ)

I've got a new walk
And a new point of view
A new purpose for everything I do.
I got a new rule on me.
Real folks around me.
If you're wondering I'm about to tell you now.
See, it's the same pretty face, but a brand new smile.
Same Ledisi, but she ain't walking. She's flying.
New game. Making big moves.
You see if love found me it can surely find you.
I ain't even got one sad tear left in me.
All I really want to is to see the whole world stand up tonight.
Take off aye.
Celebrate life.
It don't matter who you are (or where you from)
If you been working hard,
Give yourself a round of applause.
Bravo. Bravo. Bravo. Come on clap for yourself.
Bravo. Bravo. Bravo. Yeah. Yeah
There ain't a wrong time.
Or a wrong place to flaunt.
If you feel good then go on and show it off.
They can say what they wanna.
Just let em try.
I don't listen. Baby, lemme tell you why.
See, it's the same pretty woman with the brand new smile.
Same Ledisi. But she ain't walking, she's flying.

New game. Making big moves.
You see if love found me it can surely find you.
I ain't even got one sad tear left in me.
All I really want is to see the whole world stand up tonight.
Take off aye.
Yeah, we celebrating life.
It don't matter who you are (or where you from)
If you been working hard,
Give yourself a round of applause.
Bravo. Bravo. Bravo. Come on clap for yourself.
Bravo. Bravo. Bravo. Yeah. Yeah.

So, ladies put your best dress on.
Get your hair done.
Do it real big. It's a celebration.
Fellas, come on.
Everyone.
Lemme hear you clap now if this is your one.
I ain't even got one sad tear left in me.
All I want is to see the whole world stand up tonight.
Take off aye.
We celebrating life.
It don't matter who you are (or where you from)
If you been working hard,
Give yourself a round of applause.
Bravo. Bravo. Bravo. Come on clap for yourself.
Bravo. Bravo. Bravo. Yeah. Yeah.
Bravo. Bravo. Bravo
Bravo. Bravo. Bravo
