

# Let Me Be (Dance Version)

## C:Real & Hannah Williams

C:REAL feat. Hannah Williams â€“ Let Me Be

Your love is getting me high  
Your love is twisting every thought in my mind  
Coz I know you're no good for me  
Can I let myself go?  
Should you decide that you don't care anymore?  
You see there will be no way out for me

### CHORUS:

I foolishly gave you my heart  
And you just tore it apart  
Now I can never break free  
Coz you have cast a spell on me  
I even gave you my soul  
The toughest thing to let go  
You gave me no choice can't you see?  
Please love me once again  
Or let me be, let me be, let me be

The memory of our last time  
Flashes bright as lightning right through my mind  
I can't pretend I don't dream of you  
Your touch would set me on fire  
Make every inch of my body ache with desire  
There's nothing I wouldn't do for you

### CHORUS:

I foolishly gave you my heart  
And now I'm falling apart  
But I will never break free  
Coz you have cast a spell on me  
I even gave you my soul  
The toughest thing to let go  
You gave me no choice, can't you see?  
Please love me once again  
Or let me be, let me be, let me be

### BRIDGE:

I'm begging you

I'm begging you  
I'm begging you

I'm begging you  
I'm begging you  
I'm begging you

CHORUS:

I freely gave you my heart  
And you just tore it apart  
Now I can never break free  
Coz you have cast a spell on me  
I even gave you my soul  
The hardest thing to let go  
You gave me no choice can't you see?  
Please love me once again  
Or let me be ooooooh, let me be
