Primal Scream

Got a sad destructive feelin'
Creepin' through my soul
When I'm awake and when I'm dreamin'
Just won't leave me alone?
I know you've got another lover
I know you've got somethin' to hide
You've been acting kind of nervous
You can't look me in the eye
I can tell, I can tell
I can tell you're cheatin' me
You're cheatin' me
Cheat, cheat, cheatin' me
Ooh, baby, I'm free of you
Ooh, baby, I'm free of you
Free of you
Don't want you to touch me
Don't you touch me
Don't you touch me
Everything is broken
I believe in you no more
Does she satisfy you, honey?
Can she make you feel alive?
I can't stand the thought of you naked
In someone else's arms
I can tell, I can tell

I can tell you're cheatin' me
You're cheatin' me
Cheat, cheat, cheatin' me
Ooh, baby, I'm free of you
Ooh, baby, I'm free of you
Free of you
I can tell, I can tell
I can tell you're cheatin' me
You're cheatin' me
Cheat, cheat, cheatin' me
Ooh, baby, I'm free of you
Ooh, baby, I'm free of you
Free of you

I'm free of you, I'm free of you
Said, "I'm free of you"
Said, "I'm free of you"
I had this sad destructive feelin'
In my body, baby
You've been cheatin' on me
You've been cheatin' on me
You've been cheatin' on me
I can tell, I can tell
You've been cheatin' on me
But now I'm free of you
