Silver Moon

Pacific Moon

This must be another fairy tale
I can?t breathe because I?m on my own
I put this knife into a picture frame
I guess it?s me, the only one to blame
This must be another fairy tale
I am falling and I?m out of control
City lights will never be the same

But tonight there is a silver moon
Coming down from the lonely roofs
And she?s sparkling in the silver seas
Coming down in my lonely dreams
But tonight there is a silver moon
Shinning down on the lonely roofs
And she?s sparkling in the silver seas
Coming down head over heels

This must be another fairy tale
I can?t breathe because I?m on my own
I put this knife into a picture frame
I guess it?s me, the only one to blame
This must be another fairy tale
I am falling and I?m out of control
City lights will never be the same

But tonight there is a silver moon
Coming down from the lonely roofs
And she?s sparkling in the silver seas
Coming down in my lonely dreams
But tonight there is a silver moon
Shinning down on the lonely roofs
And she?s sparkling in the silver seas
Coming down head over heels
Head over heels

But tonight there is a silver moon
Coming down from the lonely roofs
And she?s sparkling in the silver seas
Coming down in my lonely dreams
But tonight there is a silver moon

Shinning down on the lonely roofs
And she?s sparkling in the silver seas
Coming down head over heels

I don?t wanna sleep tonight
Just play by the silver light
I don?t wanna sleep tonight
Just play by the silver light
