Queen Bee

Tajmahal

I'm gonna steal you from your hive
Steal you away from every man alive
They can't see what you mean to me, queen bee

They can't see what you mean to me
What you mean to me
What you mean to me, my queen bee

I'm gonna follow, every where you go, oh
'Cause girl, there's something I want you to know, hey oh
They can't see what you mean to me, my little queen bee, yeah

They can't see what you mean to me
What you mean to me
What you mean to me, my queen bee

They can't see what you mean to me
What you mean to me
What you mean to me, my queen bee

What you mean to me
What you mean to me, my queen bee
My little queen bee, my little queen bee, bzz
