30 Days

Orange Crush, Run-DMC

Heard that they said that it's rainin' men
But the offer that I make, it won't be made again
You don't have to write, you don't have to call
It's a one-time offer for nothing at allAnd there's no red tape, I don't make it hard
You don't need cash money or a master card
I got easy terms, and a lay-away
But I need a quick decision, and I need it todayAnd if you find that you don't like my ways
Well, you can send me back in 30 daysNow have you ever seen a man with a guarantee?
Well you're lookin' at him now, 'cause the man is me
And if you don't believe all the things I say
I'm certified prime by the USDANow the name that I use is DJ Run
And I'm a fast-talkin' slow-walkin' number one
And if you don't believe all the words I say
Then you're a natural born fool who's got to be that wayI got a 50 rating and a 50 share
Every minute, every hour that I'm on the air
And when I come to town, I'm on a big marquee
It says DJ Run and me, D.M.CAnd if you find that you don't like my ways
Well, you can send me back in 30 daysA good job and lots of money might not be enough
And to satisfy your needs it may be rough
But I take some care and treat you nice
And if it ain't sufficient once, I cold work it out twiceAnd if you find that you don't like my ways
Well, you can send me back in 30 daysI'm gonna give you everything that you ever need
If you need a pint of blood, then I'll even bleed
If you're lookin' for a car, I will buy you two
And if you're lookin' for a pet, I'll buy a kangarooIf you need a vacation, we can fly the world
And you'll know I'll never look at another girl
I'm a single-minded man, and my mind is set
You're the lady of the '80s that I'm gonna getAnd if you find you don't like my ways
Well, you can send me back in 30 days
