Big Dogg Status

Lil' Wayne

Young face slangin', ya, ya, ya
Heavyweight, got a bad bitch in every state
On the grind, nonstop till I touch this cake
Mark ass niggas, stay the fuck up out my wayI be true OG, you can quote what I say
I'm a H town nigga from around the way
Southside, ridin' dirty like I'm UGK
Asshole by nature like my name was TreAnd I don't gang bang, I control the game
What I'm representin' here's puttin' holes in brains
Oh, I say the same thing till I'm old and gray
For I falloff and rap about my clothes and chainsGrippin' grain and poppin' trunks, Dawg, that ain't me
These elbows hit the scene back in '83
I stay street with it, dun asked that
You can find me in your hood pumpin' monster crackI rollover rodents with rims on 'em
Sniffing out a rat, I expose them and then bend on 'em
I lotta bitches but they claiming they OGs
A straight up pussy, he claims he knows meSee, I puttin' out these weeds
Let my shit hit the streets, he got to squat to pee
Got them eggs on these beams so they watchin' me
Might trap for a rat, pussy watch and seeI been straight for a long time gettin' checks for a long time
Gettin' Jake for a long time, E and J for a long time
Nigga, try to get like me, been a G for a long time
Been in the streets for a long time
Toting heat for a long time, nigga, try to get like meI got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg statusIt's your price but I ain't scared
It's my pleasure to say it right, don't think I ain't said
They got prices on my nigga, I don't slip
Clips longer than giraffe necks, that's why I don't tripJust open up and let 'em rip, nothing new to a G
Hey, I ain't worried about these niggas till they shoot at me
My partner died, daughter too, your excuses to me
Still a busta ass rapper, I'm refusing to beScarface seem to think I'm the king
You're a fool if you think
There's another new, young rapper dude
Out there that's cooler than meI choose in the V, brand new with the beat
I live real life like I say, I do in the beat
Yeah, true indeed, I do indeed
Do it for the OGs and the true MCsThem bustas say this year I got brand new and it's all phat
But the fightin' in the club, I'm done with all that

Nigga, his ass out of line, then his ass gettin' whacked
Give a west side ten stacks and that's that
But maybe less as a matter of fact
Nigga don't be testin' the professor, What's the matter with catsI been straight for a long time gettin' checks for a long time
Gettin' Jake for a long time, E and J for a long time
Nigga, try to get like me, been a G for a long time
Been in the streets for a long time
Toting heat for a long time, nigga, try to get like meI got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg statusI Been doing this shit, nigga who are you
Little nigga, I done seen keys bigger than you
Nigga, you ain't know shit
Cut off a nigga head, make him suck his own dick
How the game goMoney over bitches and flowers over snitches
Money over bitches and flowers over snitches
Mr., Mr. Scarface, pistol into yard fish
(What the hell is this?)
Mr., Mr. Scarface, pistol into yard fish
(What the hell is this?)
YahCame here to exercise my game
Spreadin' love to the hood's, how I do my thang
Smokin' with my homies, barbecuing them wangs
Sip hennesy and coke, 'cause I don't fuck with dranksHoe pop pills either 'cause that shit ain't coll
We just drunk and mad dawg for we went to school
Lik off back then I was smashin' boys
Jump wrong, you saw a nigga get his ass destroyedSame rules right now, I demand respect
If I slap one hoe then her man's is next
I'm a kick door robber, a hot shot driver
A crack rock slingin' muthafucka for a dollarIf you dare to be laid then off in the acky
But if it ain't no way then best believe, I'm take it off a
A nigga with no hustle, it ain't work it yet
And a bitch like that is even worse than deathOut in the hood bullshittin' is what this game can cost him
And if a nigga can't maintain mane he lost it
Be a nerd and they fuck nerds in jail I heard
As a nigga, I'm up in here with my balls and my wordI been straight for a long time gettin' checks for a long time
Gettin' Jake for a long time, E and J for a long time
Nigga, try to get like me, been a G for a long time
Been in the streets for a long time
Toting heat for a long time, nigga, try to get like meI got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg status
I got Big Dogg status, I got Big Dogg status

I got Big Dogg status, I got Big Dogg status
