Gimme My Love

Gyptian

Girl just gimme my love, so when it come nears
Girl... just figure give me some
Am I the only... no not wrong
... girl me come to mine, ... make up girl ...expect some
I live a light till you know baby
Light my girl darks and I rock your world crazy
So me can be ya man and you can be my lady
What a perfect combination...
Girl me ... see these words coming from my mouth
Them solid as the gold, off ... hide at you and I tell to you
Girl just gimme my love, so when it come nears
Girl... just figure give me some
...hold it back there, . no not wrong
... girl me come to mine, ... make up girl ...expect some
A gal... drive me on, ... woman,
woman I ... me and the woman...
And them really... from me they cannot hide
I'm like a magnet, keep on pulling the girls in my ...
Girl just gimme my love, so when it come nears
