

Love in Slow Motion (Album Version (Explicit))

Bleeding Through

I will always feel and I will always care.
I wish she was my enemy but I'm still waiting
Here for her to hold my hand.
For her to steal my breath.
For her to pick up the pieces of promises never kept.
She moves in slow motion
Sonically as the rain. As the rain falls down.
Everything is still as she moves to me.
Stands still.
Maybe I'll do better on my own.
Why does everything disappear?
When all I see is you alone
And her love moves slowly
This time now I'm dying for you to call my name.
I'm waiting.
Still fading.
So tell me I am not alone.
I'm still waiting.
I'm still fighting. Wake me from this sleep,
So I can begin living,
Or give me the solution,
So I can start dying.
Will I start living, or start dying?
Maybe I'll do better on my own.
Why does everything disappear?
When all I see is you alone
And her love moves slowly
This time now I'm dying for you to call my name.
I'm waiting still fading.
So tell me I am not alone.
