Nivea

Verse 1:
Now I Done Tried Over And Over
Just To Make You ?understand
Where I'm Comin' From
But You Don't Here Me

But That Won't Make You See All The Things That You Been Missin'
What About The Dreams We Shared
It Wasn't Too Long Ago
That We Were Both Still In Love

Love Ain't Gotta Be Complicated
But You Gotta Make It So
If You Wanna Go Then Just Go

Take A Step, Make A Move
Win Or Lose, It's All On You Now
So Take A Step, Move A Move
Time To Choose
Either You Stay Or You Go
Chorus-B:
I'ma Catch You Lookin' Back But I'ma Be Gone
Wishin' You Have Stayed Took Care Of Ya Home

How Is It So Easily You Throw Away Everthing?
