Call An Ambulance

Albert Hammond, Jr.

Once I was told that a boy caught a cold
And he left to go home to get some sleep instead
Well, his baby stayed where she was
I go talk to her 'cause I wanna sleep with herAnd you would only hold me
If I would never tell you it would end
And you would never have me
'Cause you were only wanting to be friends
And you would always hold out till he gave outNow that he's back, I'm afraid you'll go back
To his bed, where I know he'll try to keep you
Well, I'm well aware of what she does
She won't leave me because I sleep with herAnd you would only hold me
If I would never tell you it would end
And you would never have me
'Cause you were only wanting to be friends
And you would always hold out till he gave out
