Neon (feat. Casey Lee Williams)

Jeff Williams

We're all born with a dream
We wanna make come true
The best will climb to the top like me
The rest will end up like youI bet it's hard to live with
Knowing that you'll never be this fine
Don't be distraught don't be sad
You gave it your best tryListen, girlfriend... can't you see?
I'm all of the things that you'll never be
I'm cool like the rain and I'm hot like the sun
I'm a neon rainbow and you're no funMay be time to retreat
You need a diva review
You can see I never miss a beat
Your makeover's long overdue
Just try to understand this
It's not that I am trying to outshine
You've got your inner beauty
We can't all be divineListen, girlfriend... can't you see?
I'm all of the things that you'll never be
I'm cool like the rain and I'm hot like the sun
I'm a neon rainbow and you're no funNo one likes a girl who wears a silly frown
Just wear a smile and you'll turn it all around
Just think of happy things
You'll see in no time
Fun every day
The clouds roll away
Try it you'll see
Just be more like me
Listen, girlfriend... can't you see?
I'm all of the things that you'll never be
I'm cool like the rain and I'm hot like the sun
I'm a neon rainbow and you're no fun
