Oblivion

Rose Cora Perry

V1: Silence it seems helps you forget about things
I'm caught in a dream on the cusp of oblivionV2: Torturing me, How could I be so naÃ¯ve?
I fell so deep into your web, your web of delusions, I was so deluded that I lost a piece of...Chorus: Myself, myself (I let go of the one thing that I trusted),
Myself, myself (I'm not at home, I've become maladjusted)V3: Regretfully,
I forgot how to see,
I mistook thee for a trick or another cheap thrill.V4: I've forgiven thee for trespassing me,
I can now see that my feelings, my feelings were corrupt
so haunted by my past that I lost a piece of...V5: Silence it seems
helped me forget about things
Got caught in a dream that was more like a nightmareV6; Torturing me, How could I've been so naÃ¯ve?
I feel so deep Into a web of my own delusions
I was so confused that I lost a piece of....Outro: I was held back by the past that was haunting
I was too scared to step for fear of falling
You were the voice in my head that I reached for
But you couldn't save me, no one could save me
