# Dreamworld

## Max B. Grant

I would be you, you would be me
We would be one, we would be just fine
The ice caps wouldn't be melting
And neither would I
I would just drive my big old car
And everything would be alright
And energy would just fall down
Right from the sky, yeah
Words would fly right from out of my mind
Out of my mind into your heart and into your life
And everything would sound just right
And no one would stop me from drinking my wine
That's my dreamworld, that's my dreamworld
It's more than a dream
Dreamworld, that's my dreamworld
And I wanna live in my dream, dream
For the real world just don't feel right
I wouldn't spend my days searching for
Searching for lost time
Yeah hey, dream
I wouldn't be so damn sensitive
I'd let things go by
No matter what the weather, I'd learn to change
I'd change with the time, yeah
And every time I need a woman, she'd appear right by me
She hold me tight, treat me right
And tell me that everything is gonna be
Is gonna be alright, alright
That's my dreamworld, that's my dreamworld
I would tell Van Gogh that he was loved
There's no need to cry
I would say to Marvin Gay
"Your father didn't want you to die"
Dream, there would be no black or white
The world just treat my wife right
Dream, we could down in Mississippi
And no one would look at us twice, hey
That's my dreamworld, that's my dreamworld
It's more than a dream

Dreamworld, that's my dreamworld
And I wanna live in the dream
Let's dream, let's dream
Let's dream, dream on
Dream on, dream on
Dream on
Let's dream, let's dream
(Dream)
Let's dream, let's dream
Dream on, dream on
Let's dream
Dream, let's dream, dream on
Let's dream, dream on, baby
Dream, oh, dream on, dream on now, yeah
Dream
