Harpoon

Boat Beam

Verse 1:
This will take some explaining but I think you will agree
There is no use pretending that there's hope for you and me
Chorus:
And I love her, but do you think she can see
When I tell her, it's the end for you and me
It was over, ever since you went and shot me
Like a harpoon
Like a harpoon
Like a harpoon in my heart....
Like a harpoon
Like a harpoon in my heart
Verse 2:
Yeah
I can handle the fighting, it's the affection I can't stand
And I don't mind us talking, just don't try and touch my hand
Chorus
Verse 3:
When you left I didn't want you back
But now your gone so won't you come right back
Come right back
x 5
Chorus
Why does it hurt
Simple matters don't seem worth
We're the same
but it's not happe
ning again
Chorus
