A Loving Feeling

Mitski

What do you with a loving feeling
If the loving feeling makes you all alone
What do you do with a loving feeling
If they only love you when you're all aloneHolding hands under the table
Meeting up in your bedroom
Making love to other people
Telling each other it's all good
Kisses like pink cotton candy
Talking to everyone but me
I'm staying up late just in case you come up and ask to leave with meWhat do you with a loving feeling
If the loving feeling makes you all alone
What do you do with a loving feeling
If they only love you when you're all alone
What do you with a loving feeling
If the loving feeling makes you all alone
What do you do with a loving feeling
If they only love you when you're all alone
You only love me when we're all alone
