Hypnotise

Darktek

Baby, you hypnotize
Baby, you hypnotize
Hypnotize
I can?t help it when you?re near me
I don?t think straight, I get all confused
I just lose all my concentration
With no question at all, I?d surrender to you
Standing here, so close together
I can feel all the magic again
But I?m holding back the emotion
Couldn?t take anymore of the heartache and pain
I know I should take it slow but
The minute I see you, I just let go
'Cos you
(Hypnotize)
Baby, you hypnotize
I just have to look in your eyes
I?m in a daze, I lose control
(Hypnotize)
Deeper inside my mind
(Baby, you hypnotize)
I?m leaving the real world behind
I give to you my heart and soul
(Hypnotize)
It?s a gamble, can we take it
Playing safe is no way to survive
There?s a chance for us, we can make it
Give our love room to breathe, to keep it alive
Admit that we made mistakes but
I know in my heart that it?s not too late
(Hypnotize)
Baby, you hypnotize
I just have to look in your eyes
I?m in a daze, I lose control
(Hypnotize)
Deeper inside my mind
(Baby, you hypnotize)
I?m leaving the real world behind
I give to you my heart and soul

(Hypnotize)
It feels like I?m falling in love with you all over again
And I?m trying not to let it show
But the minute I see you, I just let go
I just have to look in your eyes
I?m in a daze, I lose control
(Hypnotize)
Deeper inside my mind
(Baby, you hypnotize)
I?m leaving the real world behind
I give to you my heart and my soul
(Hypnotize)
Baby, you hypnotize
(Baby, you hypnotize)
I just have to look in your eyes
Baby, you hypnotize
Baby, you hypnotize
Baby, you hypnotize
Baby, you hypnotize
Baby, you hypnotize
Baby, you hypnotize
(Baby, you hypnotize
Baby, you hypnotize)
