Us Theory

Slakah the Beatchild

Like the sand on a beach
I know that we
Will remain always
If the sun should freeze
That is when I will leave
We can wait, all day
If the night sky and the moon
Call in sick and refuse
To mask all the freaky things we do
That is the day we are through
Like the 5 plus the 3
I know that we
Will remain, always
If Jah Jah, should lie
Then we weren't meant to be
But we can wait, all day
When the seed of life decides
How and when it should grow
That's the time when you and I
Should say goodbye
Adios
Like the rain from the sea
I know that we, will remain always
Yes until the end of eternity
Will you wait for me?
