Naughty Boy

Killer

{Naughty naughty
naughty naughty}Don't lie to me
You're high on something
And we ain't friends
So let's not pretendAnd go ahead
And bleed for them
You got a pretty face
And you're so intenseA rebel without a cause
You're so pass
{Naughty naughty}
A devil without the horns
And the tail
{Naughty naughty}
A rebel without a cause
Oh you're so lame
{Naughty naughty}
A rebel without a cause
Naughty boy
{Naughty naughty}You used to live
Just like a king
Red carpet was
But it was yesterday
It was yesterdayYou're name
In hall of fame
And you would dare
Just cause you didn't careA rebel without a cause
You're so pass
{Naughty naughty}
A devil without the horns
And the tail
{Naughty naughty}
A rebel without a cause
Oh you're so lame
{Naughty naughty}
A rebel without a cause
Naughty boy
{Naughty naughty}
A devil without the horns
And a rebel without a cause

Oh you're so lame
A devil without the horns
Oh you're so
A rebel without the cause
Oh you're so lameA rebel without a cause
You're so pass
{Naughty naughty}
A devil without the horns
And the tail
{Naughty naughty}
A rebel without a cause
Oh you're so lame
{Naughty naughty}
A rebel without a cause
