My Heart Is Broken

Ryan Adams

My heart is broken
My love is gone
I lay without you
Your pillow coldI am forsaken
I can't go on
My heart is broken
My love is goneWell, if I hadn't cheated
While you were gone
The well that we'd been drinking from
Wouldn't have dried and turned coldMy days are empty
My nights are long
Five cups of coffee
For the years gone wrongWell, if I hadn't cheated
While you were gone
The well that we'd been drinking from
Wouldn't have dried and turned coldMy days are empty
My nights are long
My heart is broken
My love is goneMy heart is broken
My love is gone
