Goldenheart

Dawn Richard

(Verse)
Wide eyes
Not scared to fly
Thats what we were
We were young and wild
When love was speechless
Where hearts cant be broken
Those were the days(Chorus)
Oh the days
I gotta go back
I gotta go back
To the pretty things
To the pretty things
To the pretty things
Lets go, lets go
Lets go,
Go, go, go, go(Verse)
White knights
White horses
Saved me from the evil forces
Those were the days
Those were the days
Oh, those were the days(Chorus)
The pretty things
The pretty things
Oh, the pretty things
The pretty things
Oh, the pretty things
The pretty things
Oh, the pretty things
Oh, the pretty things(Interlude)
I wanna go back
To the white knights
White horses
Save me from(Outro)
Oh
Oh the days
When we were
Wild and young

Oh
Love.
