All Kinds Of Wrong

Miranda Cosgrove

Just woke up, it's day ten
It still hurts like back then,
Tears like rain flood my bed,
Can't erase what I didThis is what I get for
Telling you I don't need
You around, what a lie
And this is what I get for
Thinking there was ever
Someone better in my life[Chorus]
And it's all kinds of wrong
Without you,
I can't breathe when you're gone
Don't know what to do
Now, the best of me
Is lost in a memory
And it's all kinds of wrong
Without youIf I had one more try
No more games, no more lies,
Missing you is a lonely ride,
Feel more dead than aliveThis is what I get for
Telling you to pack your
Things and just get out
A-A-And this is what I get for
Pushing you away, now
No one's gonna bail me out[Chorus]Want you back by my side,
I want back what was right,
I know I should be strong,
Time for me to move on,
But this all feels so wrong[Chorus]Now, the best of me
Is lost in a memory
And it's all kinds of wrong
Without you
