Jr. High Love

Desert Sessions

Old school, new school, shit, I didn't go to school!There's a party in your mouth
And yeah, I'm gonna come
Lift your skirt up
Spread your legs and unload my gun
I unload my gunCause we were young
In jr. high love, we were young
In jr. high love, we were young
In jr. high love, oh yeah
Well then I bent you over
Put champagne up your cunt
Fuck your ass, kick you out
There's no doubt
I kick you outCause we were young
In jr. high love, we were young
In jr. high love, we were young
In jr. high love, oh yeah
In jr. high love, yeahIn jr. high love, goCause we were young
In jr. high love, we were young
