

# Something That You Said

## The Bangles

Everything in a moment starting where  
Something you said is hanging in the air  
Now I know my life is sweetening  
Changing everythingSomething that you said  
Turned me from the inside out  
Running through my head  
Something I have dreamed about  
And I feel so real, and it feels so right  
Something you saidShowing you every weakness and feeling strong for it  
I used to run from real love, now I long for it  
Now I know what I've been missing  
Since I've been listeningSomething that you said  
Turned me from the inside out  
Lying in my bed  
Whispering your name out loud  
And I feel so real, and it feels so right  
Something that you said  
Got through to me tonightNever so far you can't call me back  
I'm never more than a single kiss awayAnd I feel so real, and it feels so right  
(Something you said)Something that you said  
Turned me from the inside out  
Running through my head  
Something I had dreamed about  
And I feel, and I feel so real, and it feels so rightSomething that you said  
Turned me from the inside out  
Lying in my bed  
Whispering your name out loud
